

# The American Viola Society

## List of Health Practitioners Specializing in Musician Care

### **Use this list at your own risk.**

None of the authors of this document or anyone else connected with the American Viola Society, in any way whatsoever, can be responsible for your use of the information contained in or linked from this document. Users of this document should take all steps necessary to verify the claims, certifications, and the offers made by any health professional or organization included in this document.

### **Do your own research.**

This document is intended to be used and must be used for informational purposes only. It is very important to research any health professional or organization from whom you receive care.

### **Errors and omissions may be present.**

The authors and the American Viola Society assume no responsibility or liability for any errors or omissions in the content of this document. The information contained in this document is provided on an “as is” basis with no guarantees of completeness, accuracy, usefulness, or timeliness.

### ***Note:***

*This list is not comprehensive. There are numerous health professionals specializing in musician care who are not yet included on this list. If you would like to recommend an addition to this list, please email us.*

# Health Practitioners and Organizations Specializing in Musician Care, Sorted by State

## **California**
